Team Information

4 - 8 October 2021, Zwentendorf, Austria

Country: England, UK

Institution/Company: Loughborough University

Address: Loughborough University,

Epinal Way,

Loughborough

LE11 3TU

Telephone: 01509 227317

Fax:

Team Description:

The Loughborough University Centre for Autonomous Systems (LUCAS) has a wide range of expertise in the area of autonomous vehicles, focussing on the development and implementation of advanced control, planning, sensing, learning and decision-making algorithms into real world applications. In recent years, the team has been working autonomous platforms to support first responders to identify the source and dispersion of airborne hazardous materials in CBRN scenarios.

Sponsors: N/A

Selection of scenario:

- Exploration
- Manipulation
- Search and Rescue

Proof of citizenship:

A copy of team leader passport will do (will not be published)
